

Regarding the LPFM stations expansion. I believe that the expansions of these stations would force K-LOVE radio off the air in my area. K-LOVE is the only station I listen to in the local area because of their commitment to Christian beliefs and values. I never have to worry that I would hear something inappropriate on their channel. They serve the community by providing updates on what is going on in our community, prayer and a pastoral staff available to listen to anyone. Commercial free radio such as K-LOVE is rare and a pleasure to listen to and support.
